

Reckoning of the ReConstruction

by J. Garrett Smith, PE

first presented on Juneteenth 2018 in Aberdeen, Washington

John Paul became Jones
to Resist the throne.
It started with a Tea Party –
Sam Adams' Revolt against a tax.
Nathan Hale took the noose.
Ben Franklin talked to France.
Lafayette helped Washington
win just once
which was enough
to raise a new Flag.

We bled to 'LIVE FREE OR DIE',
but now the edge is long gone.
It really lasted only Twenty years.
Jefferson resent Lewis
to govern the Purchase,
but Burr had different ideas:
the Indigenous Profound
didn't fit the plan.

Monroe's Doctrine was a scam,
Manifest Destiny a selfish hoax,
canals, railroads & boats.
True Abundance deny:
"Don't do what we just did,"
hooked by our own myopic lie,
we bought the myth.

FIRST NATIONS, BROKEN TREATIES,
TRUE RICHNESS SNUFFED OUT

**Illiniwek, Lakota,
Ojibway, Palouse,
Navajo, Cherokee,
Inca, Sioux.**

Salmon, Big Sky, Buffalo,
Cascades, Rocky Mountains,
dam the Rivers' flow.

RED HEBREWS discarded -
Diaspora, don't you know?

MEGA FIRES
PATCHWORK GONE
UP IN FLAMES
BURN AWAY

*It's the end of America
as we knew it,
and I feel sick.*

Queen Lili'uokalani
Hawaiian coup de tat.
Grover Cleveland tried
Ethics and the Law.
Thurston's Bayonet
pierced Heart & Land
Overthrow beginning?
Or the end?
Kingdom exploit
Dole disgrace
Can't we cherish anything?
Face the Face.
Galatia's Promise
Can you hear her call?
6, 7, 8, 9:
Kamehameha's Mana standing tall
Mana o'ka Aina
Paniolo Kuleana
Thrive?

ReConstruction of the Reckoning

Paradise, a thought,
a worldview, denied.

Vietnam: construction project.
Halliburton, Brown & Root,
what's the object?

here and there, we lost it.

Keep it Simple, Sailor.

Police creating crimes for cash
crooked judges pass -
rob the Treasury.
Xander Tyler's Lament.
How'd we get so bent?
Cannibal Commerce:
What kind of beast
sells the farm,
and then eats its own arm?

We collapse unabashed
and deny what's happening:
Prison Indus-try, Really?
Put Asunder.
Albert was right:
*"Few Is the number
who see with their own eyes
and feel with their own hearts."*

Bury the proof
Forget the Truth
We threw it all away.

*It's the end of America
as we knew it,
and I feel sick.*

We were colonies
turned to colonialists
preventing what we'd just done.
200 years of leaving the West
in our wake of what we escaped.
China Vengeance
Hong Kong disgrace
Turnabout – did we forget?
Fentanyl IS *The Opium Wars*
back in our face.

Mossadegh:
MAN OF THE YEAR
but not too much
now and again
pop the clutch.

Economic Hit Men,
place your debts.
Roldos, Torrijos,
Who's Next?
Ecuador,
can we build, or only bash?
Panama,
create, or only take?

ALL GAIN SUM
Truth or dare
ALL GAIN SUM
Truth or consequence
ALL GAIN SUM
Truth is fair
Truth is the fare.

Harriet Beecher Stowe:
the legend grows.
George Carver, Freddie Douglass:
Real Heroes.
Real Stewards

who stood up one October
against a status quo
so that M.L.K.
could one day
"Have A Dream"
and lose so much
to gain so much more.
