

# You Rise, Too (UR2)

## *(The Resonance®), PART 2)*

a **T.E.D. TALK®** presented by

**J. Garrett Smith, PE**

Chief Technology Officer / CONCENTRIC Industries, Inc.

9.21.19 / 7.14.22

### **1/ The Newer Colossus**

*“Bring us your tired, your poor,  
Your huddled masses yearning to breathe free,  
The wretched refuse from your teeming shore.”*

This is the Great Ask by Emma Lazarus engraved as ‘The New Colossus’ on the Statue of Liberty in New York City.

Today, I give you the Keys to respond with Greater Answers that will empower YOU to solve the world’s biggest problems while **SIMULTANEOUSLY** creating sustainable **WEALTH** beyond your imagination: *“truePROSPERITY™ with a Purpose”*

### **2/ Inspiration**

Because isn’t **INSPIRATION** really a measure of changing lives?

So, while I’m addressing the **Ultimate Call**, annihilating poverty - the “lie of lack” - with exponential plenty - the “Truth of Abundance” - what I’m really talking about is radically transforming **YOUR Life ... if YOU choose MORE.**

Because the **REsurgency’s** begun, and not only can you join it, but also, **Each & Every one** of you has a **ROLE** to play in it.

**THIS is YOUR calling.**  
**THIS is YOUR time.**

## You Rise, Too (UR2) • *The Resonance*®, PART 2

I'm making available to you the most powerful tools, EVER – the Greatest “How” in history – but only you can supply your own “WHY”.

Do you have the courage to Think Big?

What do YOU bring?

Do you have the Moxie to Imagine on Fire?

### **3/ Think Bigger**

Right now, think of your deepest longings, Visions that capture your imagination ... you know the kind ... the dreams that Move You.

Next, Go Beyond Yourself.

Of course, you need money and resources, as does every higher social cause. Because wherever there's poverty, wherever ANY human being suffers under the lie of lack, there cannot be Justice.

So, Think Bigger:

What If you could live remarkably on 10% of your income?

What impact can you make with the 90%

You'd lead in Synchronicity with Commonwealth.

### **4/ Justice In Motion**

WELCOME ... *The Resonance*®.

*The Resonance*® IS “Justice In Motion”, where ...

We Thrive Together in the greatest epoch in human history, where ...

Your Individual Dreams are an amplified echo that keeps repeating, where ...

You plug in Your Biggest Vision until Abundance smashes out lack.

THAT'S Fun & Exciting!

## You Rise, Too (UR2) • *The Resonance*<sup>®</sup>, PART 2

And the most elegant part of *The Resonance*<sup>®</sup> is that it's NOT for elitists – it's for the EVERYMAN. You can prosper regardless of your background, past or experience.

*Ph.D? OK ... G.E.D.? Great.  
Construction to Culinary.  
Music to Machinery.  
Teachers to Technicians.  
Farmers to Fishermen:*

We Need YOU.

The only prerequisite is that YOU must have a Dream ...

### **5/ Way Better**

... one Big Enough so you're Motivated to Participate in Fixing Humanity's biggest problems.

See, here's the juggernaut: the UN has assessed an annual cost of \$100 billion USD to resolve our most pressing challenges involving hunger / dehydration / disease / climate.

Today, Right Now, you "get" to decide to actively topple these giants while, AT THE SAME TIME, seeing your biggest dreams come true.

THIS is your invitation to "Represent the Future of Energy, Food, Air & Water for the Whole World"<sup>™</sup> ... and ... to build a personal fortune by improving Life for People & the planet.

CONCENTRIC Industries represents 3 decades of cutting-edge developments on all 7 Continents. It is the world's most Efficient and Pure producer of greenPOWER + qualityFOODS from patented systems where the Air & Water are cleaner going out than coming in.

That's right: there is a way, and it's WAY BETTER!

And whether or not you understand (yet) how we transform everyday fuels and wastes into things every person needs isn't what matters.

## **6/ Restore**

Because we will Educate you.

We need millions of people, from all crafts and trades, and we will Train you.

I'm talking about using REAL tools in REAL places to drive REAL change by:

- *looking into the eyes of hungry children and TEACHING them how to make something to eat,*
- *reaching into the hearts of famished adults and TRAINING them to purify something to drink.*

That's REAL Life in High-Definition Kaleidoscope!

Some of you want to Restore your cities and your Nations, from Chicago to L.A., and Morocco to Chile.

We Will Do It!

The backstory is the stuff of legend: *the government sabotaged global cleanTECH businesses because Washington State, USA officials thought they could benefit by stealing the CONCENTRIC family of companies.*

But we are winning major tort claims and dismissal of criminally fraudulent charges, so the RESTORATION of my personal Liberty, Identity and Properties is imminent.

As I speak, I am parlaying Adversity into serious Advantage.

So, "Still I Rise", but that's not enough!

"YOU RISE, TOO!"

## **7/ Role**

Because all of us have a Role to Play.

*The Resonance®* of Restoration will surely advance, but only by those who choose to Rise Up and Ride its Momentum.

We're offering a phenomenon that's so simple it's everyone's Legacy: "CHOOSE LIFE".

## You Rise, Too (UR2) • The Resonance®, PART 2

This is about building a **MERITOCRACY** – a civilization in which performance, skill, effort and work determine success, and Quality Of Life is based on a Commonwealth of Abundance. This is about building **SOLIDARITY** by empowering the masses with Ownership of the sources of Production.

**YOU** change the world by inspiring **REAL HOPE** with **REAL SUBSTANCE** to make **REAL IMPACT**.

Let me put this in Perspective:

*50 years ago, some guys named “Jobs & Wozniak” and “Gates & Allen” were called eccentric because they FORESAW a world where people would carry portable computers. Of course, now you know all about ‘APPLE’ & ‘MicroSoft’, and the ubiquitous P.C. & smartphone.*

Well, **CONCENTRIC** is **YOUR** ticket to **BE THE VANGUARD** of a *Far Greater Movement*:

### **Distributed Generation + Distributed Harvesting**

**“DG” + “DH”**

These are the uber-efficient Harbingers of the Future of Energy & Food, EVERYWHERE.

The MegaTrend **IS** **DE**centralization for **RE**storation. The purity of the **CONCENTRIC** fleet of **REAL**, ‘Bricks & Mortar’ technologies is the exponential Trendsetter. It is exponential because not only does the work itself solve real problems, but when the profits from those **Good Works** are recycled back to solve even more, it’s like a real-time *Tsunami of Spectacular*.

I guarantee you’ll be positively impacted by this MegaTrend. How much benefit depends on the decision you make **NEXT**.

You can be in prison or out,  
fit or crippled,  
healthy or sick,  
young or old,  
it doesn’t matter.

The World is Ready.  
The World Needs Us.

**You Rise, Too (UR2) • *The Resonance*®, PART 2**

For you, it's as simple as 'A', 'B', 'C': **Always Be Closing ... in on Your Vision.**

**[A] To start, do you want to change your Life and your Culture for the Better?**

**[B] Next, if you know Anyone, Anywhere who uses Energy, Food, Air & Water, then raise your hand.**

**[C] OK. Now, keep your hand up if you want to BE a person who is Advancing in a Worthy Cause while Building an amazing lifestyle for you and your loved ones ...**

**Then, "TAG! You're It."**

**Together, We Rise.**
